Details to Remember

Promptness— Please arrive on time. It is difficult at any age to walk into a situation late especially when you do not know people. It's also hard for teachers and fellow students to focus with interruptions by late comers.

Dress Requirements — Ballet: dancers are required to wear a solid color leotard. Jazz/Hip-Hop/Tap: dancers are required to wear attire that is easy to move in (no jeans or bulky shirts).

Shoes — Dancers are required to have either ballet shoes or jazz shoes/sneakers. **Tap shoes are mandatory for tap classes.**

Snacks — There will be a snack provided each day. If your camper has severe allergies, please pack a snack for her/him and let us know the extent of the allergy so we can accommodate as well as possible. For the "Theme Week" summer camp, lunch will be provided as well.

Placement — In most instances, enroll your camper in the same level they were in during the previous term. If you are unsure of classes or camps that are appropriate, feel free to ask at the office for help in placing them. Teachers fill out evaluation forms that are on file for current students.

Please Note: Parents are not allowed in class or camps.
